Examinations For Clerk & Carrier Positions Announced By Postmaster

Appomattox Postmaster O. S. McCoy has announced an examination for Clerk and Carrier positions in the Appomattox Post Office and urged that all those interested apply to take the job-related tests that can lead to Postal Service employment.

"We have not opened our register since 1974 and an examination of it led us to believe that it is out of date," said Mrs. McCoy. "I do not want to give the impression we will be hiring great numbers of people in the coming months," the Postmaster said. "I anticipate approximately two vacancies will occur in the next two years that will be filled by hiring people from our up-dated job register. We need qualified people who will be willing to accept employment and want to offer people in the local community the chance to compete for these openings by signing up for and taking the exams."

The Postmaster said the Postal Service established the policy two years ago of extending eligibility indefinitely for those on the job register because little hiring was being done. "On October 8, 1978, those who have been on the job register for more than two years will lose their eligibility. They will have to reapply to compete for a standing on the new register."

Applications for the examination will be accepted by the Postmaster of the Appomattox Post Office from August 7 through August 16, 1978.

Mrs. McCoy said applicants will be notified of date, time, and place of examination and will be sent sample questions.
